

Signatories to Stem Cell Research Letter

108th Congress

On April 28, 2004, 206 Members of the U.S. House of Representatives (including three non-voting delegates) sent to President Bush a letter requesting relaxed guidelines for federal funding of embryonic stem cell research. On June 4, 2004 a similar letter was sent to the president by 58 U.S. Senators. These 264 Members of Congress are here listed by Congressional delegation. Note: In the 109th Congress, 26 Members are no longer serving. Members no longer serving are italicized and placed in brackets.
